ABOUT ...

"INSPACE", with experience in furniture over three decades, treads onto 'RETAIL DISPLAY FIXTURES' (RDF) as the market is set to adopt innovation. The glass shielded wall mount show case, in the retail business, is the gone concept as the same is human assisted, where selection of goods is tedious and therefore vexatious. Shoppers' taste is changing in the today's fast track scenario. So is the retailers' perspective. The customers' shifting preferences is the key to invention of RDF.

We having world class manufacturing facility spread over 1,10,000 sq ft. makes and markets retail fixture products. We also entertain and execute turnkey interior projects for show rooms of any nature.

Show rooms of ready-made garments, footwear, electronic, consumer goods, eateries and super markets are a few major target user group. RDF is the mantra changing their faces, in no time, but at slashed costs.

No doubt, INSPACE is the ultimate destination of RDF.

Whether you require a new concept, a solution to a merchandising problem, or the re-fitting of an existing or new store, the team at INSPACE can Help.

'INSPACE is your One-Stop Shopfitting Specialist'

INSPACE offers you right from design, supply, installation and full project management along with inventory holding in huge range of quality shop fittings.

INSPACE team can help for all your fit-out needs and can provide total interior solutions for your store
